

Lull Telehandler Parts

Lull Telehandler Parts - Lull telehandlers have been supplying precision load placement since nineteen fifty nine. Whether the job requires landing loads on scaffoldings, transferring loads or positioning heavy steel, utilizing a Lull telehandler will really help make the work go easier and faster. These units are available along with the patented Stabil-Trak stability system to ensure operator confidence.

The horizontal placement system by Lull could provide eighty inches of boom travel for precision placement capabilities. There are even several optional Lull attachments for their telehandlers to help complete whatever work.
