

Nissan Forklift Parts

Nissan Forklift Parts - Nissan prides itself on reaching total consumer fulfillment when their buyer is enjoying one of their countless trucks, cars or forklifts. Nissan Forklift division is a wholly owned subsidiary of Nissan Motor Co. Ltd. They are committed to offering high value and meticulous quality values to their customers. Incorporating a prosperous heritage combined with resilient processing principals, Nissan lift trucks supply a few of the finest materials handling equipment the industry has to offer.

In order to satisfy the worldwide requirements of their diverse purchaser base, Nissan Forklift added a Swedish warehouse manufacturer, Atlet AB to its family. Dedicated to offering consumer support, the business has four distinct manufacturing facilities that allow them to continually adapt to their customers continually evolving requirements by offering a variety of innovative ideas and designs.

Nissan Forklift operations for North and South America is based in Marengo, Illinois. Home to a staff of 350 personnel, they are committed to the design, fashioning, and support of their forklift products. Utilizing ISO standards (ISO-9001 and ISO-14001 certifications) this allows sectors of the Nissan Forklift Operation to maintain environmental responsibility by using methods and procedures that minimize their environmental footprint. These high standards remind clients that Nissan operates under the quality seal that their consumers demand whilst being an environmentally responsive organization.

Nissan is fairly confident that any of their clients questions and client concerns directed towards them can be fully addressed. Always accessible through their website or by calling 800.871.LIFT, reaching one of their community sanctioned dealers or even traveling to their Midwestern facility, Nissan Forklift Corporation is sure you will be impressed with their hospitality and dedication.
