

Trek Parts

Trek Parts - TREK Cleaning Machines is a maker of cleaning equipment. Jim Hartsock, Chris Knowlton and Bob O'Hara, TREK's founders, have over 60 years of experience effectively manufacturing, designing, developing, marketing and offering customer support. The company's cutting edge flair is a reflection of the entrepreneurial style of the founders. They truly believe in delivering true value to their customers and are devoted to giving new design concepts and top quality so as to meet the diverse requirements of their customers.

TREK Cleaning Machines continually provides fresh design ideas as shown in their product development. They enjoy offering items that energize both their dealers and their partners and offer production gains to their clients.

The team at TREK likes dealing with new challenges and tasks. They are proud to introduce their new Torsion scrubber line and all of its breakthrough technology. This particular line was motivated by the comprehension of operators' skills and requirements together with their comprehension of cleaning applications, along with owners' strong desire to dramatically lessen expense through productivity gains.

When considered necessary, the staff members within TREK and its numerous dealer members in both parts and in technical support will be accessible. One of their core values is their high service devotion in their customer service. Keeping their customers' cleaning machinery ready and working day by day is top priority. The company's top of the line technology delivers reliable machine that eventually reduces your cleaning expense. The service, the product and the price all work together to be able to make them the leader in the trade.
